

With deep sorrow, we announce the passing of

Sarine BIJO (zl)

She went peacefully on Friday January 8, 2010 at her home in Panama-city at the age of 90.

During her long life she was a model for her children, grandchildren and their families.

From her young age till the end, she was a strong and courageous woman who tackled life and its challenges in the most positive way.

As a source of inspiration, she guided each one of her children and was always there when in need.

A final goodbye with bitter tears becomes much easier, when good memories are eternal.
